

Help Cone Health Create the “Big Picture”

Your students are invited to participate in the Cone Health Mosaic Mural Project. We've partnered with Project S.N.A.P. to create a mosaic mural that will celebrate the opening of the new Women's Facility connected to the Moses H. Cone Memorial Hospital in 2019.

Your students' artworks will join thousands of pieces created by our patients, community members and supporters. Their artworks will help create a giant mosaic mural. Once complete, the mosaic mural will greet patients and their families at the hospital.

When the mosaic mural is revealed in 2019, your students will be able to find their artworks and the exact locations of their artworks in the mosaic mural by either visiting the hospital or going to the Project S.N.A.P. Online Art Museum!
