

Help Summit Academy Create the “Big Picture”

Your students are invited to participate in the Summit Academy Mosaic Mural Project. We've partnered with Project S.N.A.P. to create a mosaic mural that will celebrate our school community and highlight the excellence in education that we deliver to our students.

Leading the initiative to bring our school community together, your students' artworks will be combined with those created by parents, teachers, administrators, staff, community members and supporters. All the artworks will help to create a giant mosaic mural. Once complete, the mosaic mural will greet the entire school community as they enter our school.

When the mosaic mural is revealed in May, 2018, your students will be able to find their artworks and the exact locations of their artworks in the mosaic mural by either visiting the mosaic mural itself or going to the Project S.N.A.P. Online Art Museum!
